The suggested selling price is your customer price.

Choose only the packages you want to sell for your fundraiser. Choose the packages from the list. Email, fax or phone us with which packages you prefer and we will complete a customer order form for you to hand out and a organization tally sheet for you to use.

Ensure you provide your customers with the order form and not the organization tally sheet. Have your customers make out their cheques to **your** organization. Make one cheque from your organization payable to Hamel Meats (2015) Ltd for the total cost of all packages ordered for the purchase price above.

Please submit one order form or spreadsheet showing the number of each package required (broken down by flavour if required).

After we receive the order we will require one week to assemble the order for shipping or pick up. Your order will be boxed according to product and flavour. Once you receive the order you will be responsible for putting together the customers orders according to their order forms.

If shipping is required you will be responsible for the expense.

Incentive Bonus: For EVERY \$9,000 of product purchased, at the cost above, you will receive 25lbs of free jerky.

This incentive represents a \$925.00 retail value which would help to defray the cost of shipping.
